

## Adult Softball League

Welcome to Spokane Parks and Recreation’s Adult Softball League!

Our program strives to provide an opportunity to have fun, exercise, and spend quality time with friends and our community.

Alcohol, smoking, and vaping are prohibited in our league/parks to maintain a safe and inclusive league as well as to comply with local law. Please do not bring any to our facilities (including the parking lot) and do not partake in either smoking or drinking before or during league play.

We look forward to seeing you and your team!

### Our Philosophy

We provide quality recreation leagues for a variety of skill levels. We emphasize a safe and fun environment that promotes good sportsmanship. Our leagues focus on healthy competition, while emphasizing participation over winning and losing.

### Captain’s Meeting

A mandatory captains’ meeting prior to the start of league will communicate important league information, rules, policies and more! A team representative must attend if the captain is unavailable.

### Register Your Team

**Step 1:** Register and pay for your team online at [www.spokanerec.org](http://www.spokanerec.org) or by calling (509) 755-2489. Full payment is due at the time of registration. League space is limited; team registration is accepted on a first-come, first-served basis. Athletics Administration has the discretion to move teams to different divisions based on need and past standings.

**Step 2:** Create your team’s roster and sign our waiver, player code of conduct, and player card. Directions attached in your step 1 receipt.

### Refunds

Refund requests must be made to [softball@spokanecity.org](mailto:softball@spokanecity.org). Once league registration is closed, there are no refunds issued.

### Forfeit Policy

If your team needs to forfeit a game, you must notify the athletics administration staff via email **at least 24 hours prior to your scheduled game time. Games that are forfeited will NOT be made up.** This will allow staff to notify your opponent. In case of forfeit, your team will be awarded a loss. **Two (2) or more forfeits per season will disqualify a team from playoffs.**

**Scores not put in 72 hours after game will result in an auto forfeit.**

### Skill Levels:

Our league is divided into 3 divisions for both Mens and Co-Ed teams.

**D (Competitive)** This is the highest level of competition that we offer. Teams are comprised of players with foundational skills and experience playing.

**E+ (Semi-Competitive)** Teams have a variety of prior playing experience and are looking for a more recreational atmosphere with moderate competition.

**E (Recreational/Beginner)** Teams have little to no prior playing experience and are looking for a learning or improvement atmosphere with low-level competition.

**Masters:** We have 2 senior leagues for ages 60+ and 65+ (draft league).

### Team Sportsmanship Ratings (SR)

Teams are awarded a sportsmanship rating (1-3) for each game. Ratings of 1 or 2 will be reported by team captains by emailing [softball@spokanecity.org](mailto:softball@spokanecity.org) within 24 hours of game completion. Teams must maintain a SR of 2.5 to be eligible for league playoffs. **Teams who are scheduled to be in the championship playoffs (the top 4 teams) who do not meet this requirement will be replaced with the next highest-ranking team per the league standings.** An average SR of 2.5 or less risks removal from current or future league play and/or disciplinary action at the discretion of the league administration. *\*League administration will consider Umpire feedback for adjusting sportsmanship rating.*

### SR Descriptions:

1 Extremely Poor Sportsmanship
2 Poor Sportsmanship
3 Good Sportsmanship
